Summer term Newsletter:

P.E and sport—competitions

This term we have continued to strive to promote participation and enjoyment of Sport and P.E at St. Joseph's by taking part in the LLG competitions. This term we have

competed in:

Y2/3 Football

A huge well done to our y2/3 footballers who represented the school in the LLG football competition this term. The children attended football practice after school and were well prepared to compete!

Year 5/6 Cricket

What a way to end the year of sport at SJS by bringing home the GOLD! Our final competition saw our year 5/6 cricket team compete at Golborne Cricket Club. With a man down, they fought hard and never gave up, showing that hard work and

determination pays off!

Year 2/3 football competition _June 2023

After School Clubs

In our aim to have all pupils participate in at least 30 minutes of physical activity per day, we have offered the following after school clubs this term:

Key Stage 2 Dodgeball

Year 2/3/4 Football

Year 4 pupils—Cricket Club

Our wonderful year 4 pupils requested a meeting with Mrs Shaw to explain that they had come together to create their own cricket club and even designed a logo. They asked for their own lunchtime club to be arranged and after school club next academic year! So we listened and actioned these requests straight away! We decided that the first club of next academic year will be cricket club for year 5 and year 6.

Clubs for September 2023

Mondays — Cricket Club year 5/6

Wednesdays - Key Stage 1 Multi Skills

Y5/6 Football Team

We have continued to be part of the LLG

football league this term playing in 3 matches. Children worked hard as a team, storming to victory with a 6-0 win and colossal 10-3 against Sacred Heart! Well done to all

the pupils for their dedication! Also thank you to Mr. Crowder, Mrs Drake, Mr. Heald and Mr. Breslin for accompanying the children. Finally to our wonderful parents for your support! Hoping to see our year 6 pupils continue with this passion at High School!

YEAR 3 Anderton Centre residential— May 2023

This term saw us waving off our excited year 3 pupils to the Anderton Centre, Lots of tears beforehand (parents :-)) but lots of smiles and happy memories made as they took part in Crate Stacking, Canoeing, Rock Climbing and Obstacle course, as well as Bushcraft and the best part—toasting marshmallows! Such a wonderful experience for our children and staff!

And finally.....

We cant finish without mentioning Sports Day! This term as always, saw every pupil compete against each other in bid to be the winning team! With our set up being one sports day per class, every pupil could take part in every race!

A very important job for our

Sports Council next year will be to help
decide upon the new team names for our
Sports Day!

What to look out for in 2023/2024.....
