Headteacher: Mr Paul Ackers NPQH

Friday 16th September

Dear Parents/Carers,

A message from the Headteacher

This morning we shared a fabulous assembly where children from Years 1 to 6 presented their Mission Statement work. Over the past couple of weeks the children have been working together considering how they and we as a whole school community can 'Love Jesus, Love learning and Love life' the results are magnificent and will take pride of place outside my room.

The Library is now up and running and children in each year group have enjoyed spending time in it this week; choosing books, reading and navigating their way around. It is a fantastic resource and one that I know will benefit the school and the children will enjoy using.
