Dear Parents/Carers,

Summer 2 Week 3

A message from the Headteacher

We've all enjoyed our 'Healthy Eating and Mental Health and Well-Being week' this week. Thank you to Paula who came to launch our 'Healthy Week' with a talk about Mental Health on Monday. As you may have seen from each class' Twitter the children have been taking part in lots of art and D&T activities around living a healthier life style. To end our week, we've had a visitor (Irene Hernandez from Salamanca working for the Primary Language Network) who has delivered Spanish Yoga to each class throughout the day today. Everyone has fully embraced this and it was lovely to hear that Reception class counting to ten in Spanish as they were exercising. Thank you Miss McLoughlin for organising and overseeing this today. A good day had by all.

Wow! Well done to our brilliant Year 3 class for the presentation of their Learning challenge assembly this morning. What a great way to end this busy week by celebrating and sharing their learning around the book 'Greek Myths' - We were all entertained. The speaking, singing and dancing was fabulous and everyone watching enjoyed it because the children were enjoying it. Thank you Mrs Melling for making their learning fun - Thank you parents for helping with the learning of lines and costume preparations and well done children for being enthusiastic! A real team effort.

Next week it is 'Awe and Wonder week' and there are many fun activities planned: Willow weaving with an artist; The Wiggly Roadshow are here; Circus skills with Splat circus and Virtual Reality workshops for KS2. Please could I remind you to pay your contributions to help us to cover the cost of these resources and visitors. Thank you once again for your on-going support.

SPORTS DAY

As it is one of the highlights of our school year and children really enjoy it, it was my intention to rearrange a date for Sports Day. However, having consulted the diary there are lots of dates committed to different events from now to the end of term - that coupled with weather forecasts of rain, **I am sorry to report that we are unable to rearrange the Sports Day.**

You can see from these themed weeks that children are not suffering as they still have lots of fun things to enjoy in school.

Quote of the week

Year 2 pupils said,

"I enjoyed tasting all the different fruits, especially the pineapple."

"I learnt how to do a tree pose in Spanish yoga."

Enjoy your weekend.
