Dear Parents/Carers,

Summer 2 Week 5

A message from the Headteacher

The children enjoyed an assembly led by Angela from NED's Mindset Mission this morning. (Never give up, Encourage others and Do your best) This was an excellent assembly in which all the children were totally engaged. Angela chose three children who answered questions well and gave them a free yoyo. Well done, Jasmine, Tate and Lewis. Thank you Angela for conveying this important message in such a fun and memorable way. Yoyos will be on sale for the next two weeks. For more information about NED please ask your child/children and also check out this video from Home Connection, Teaching Growth Mindsets. It's Kelly Corrigan's video for parents www.youtube.com/watch?v=OhLJPhxuvGM which shows a compelling conversation between a parent and Dr. Christine Carter, executive director of the Greater Good Science Centre. This four and a half minute video is part of a discussion series called HALF FULL - Social Science for Raising Happy Kids.

Hope to see everyone on Sunday at our annual Summer Fayre.

Quote of the week

A Year 5 pupil said,

'The illusions were great! It helps people achieve the goal they really want to reach.

I'm going to try really hard to get my goal in life to be a police officer. I'm going to say to myself every time I am struggling – NED NED NED!'

Enjoy your weekend. Hopefully I will see you on Sunday at our Summer Fayre.
