

# St Joseph's School Council

Autumn 2 2021

**Our fabulous council members looking festive!**

## Autumn Term 2 Newsletter

We discussed the playground and the issues facing playtimes at our latest meeting. All of the children were very vocal in their ideas and thoughts about the playgrounds at school and have started to think of how improvements can be made. Clearly a very important issue to the children of St Joseph's school!

### Any other business?

Thank you to all of our members for their input, ideas and for sharing their time so willingly.

## Our next meeting

**We are looking forward to holding our next meeting in January 2022!**

**Until then, have a safe and Holy**

**Christmas
