

St Joseph's School Council

Spring 1 2022

**Some of our wonderful School Council
members, getting ready for a
“Sweet Sensation”!**

Spring 1 Newsletter

In our first meeting of the half term, we wished each other “Happy New Year!” before getting down to business. We revisited the issue of the playground and the equipment we have in school. We worked in key stages to make lists of what we wanted see available to for the children to play with—more like wish lists than want lists!

In our second, we enjoyed talking about sweets! We were preparing for the St Joseph's Sweet Sensation event!

Old/New Members

As some children had their time on the School Council cut short in 2020, they were very keen to take part in our meetings!

We are delighted to have Niall and Katie join us this half term and are very grateful to them for playing their part.

Our next meeting

**We are looking forward to holding
our next meeting after half term!**

Any other business?

*Our School Council members are here for
you—let them know if they can help!*
