Tuesday 12th July – Whole school Transition Day. There will be more transition afternoons for our younger children throughout this half term, so they are fully aware of who they are with and what their next classroom looks and feels like ahead of starting their new class in September. This is really important to remove any anxieties. Year 6 also have transition dates planned in for their secondary schools.

Thursday 21st July – Last day. Break up for Summer holidays. In school we have a whole school presentation of the End of Year Awards and it is important that all children are in school for this. It is such an achievement to receive an award and is a shame for the child if they are not in school to receive it.

So, lots still to look forward to.

Have a brilliant half term break everyone and we will see you back in school on Monday 6th June!

Yours sincerely
