

# St Joseph's School Council

Summer 2022

## Summer Term Newsletter

### **A message from Lexi, Y6**

**We have done lots on the School Council this year!**

**Firstly we arranged a day when we came in school, dressed in blue and yellow for Ukraine fundraising.**

**Next we sold sweets for a Sweet Sensation! This involved selling sweets to raise money for play-ground equipment.**

**After that we interviewed teachers and teaching assistants to recruit new staff.**

### New Starter Meeting

We proudly represented St Joseph's in June at the meeting for all of our new Reception parents!

We told everyone present what we liked about our school and how we knew that the new pupils would like being part of it too.

## Goodbye Y6!

We are saying a sad farewell to Y6, and especially to Lexi and Leo, who have been fabulous School Council members—both more than once! St Joseph's will miss you both.

**Thank you members for giving up your time this year**

In September we will be starting the new academic year with a new School Council.

If you would like the chance to stand for election, start to think about the issues that are important to you.

**Have a lovely Summer everyone!**
